

Press Release

Expanded Henkel product portfolio on a global basis

Henkel signs License Agreement with UBIS (Asia) for Can End Sealants

UBIS (Asia) Plc. and the metal industries group of Henkel KGaA, Düsseldorf have signed a license agreement for Can End Sealants. The metal industries group is the world market leader in metal treatment product and processes as well as lubricants for the two-piece metal packaging production. UBIS (Asia) is highly recognized in Asia Pacific and well known in the other regions of the world as a compound and lacquer supplier for food, beverage and industrial metal packaging. The combined market approach gives customers an expanded product portfolio on a global basis.

UBIS (Asia) and Henkel are committed to improving customer value with regard to quality and process efficiency all around the world. By merging the product competencies, both partners are striving for constant improvements of the current product range.

June, 2005

The Henkel Group operates in three strategic business areas: Home Care; Personal care; and Adhesives, Sealants and Surface Treatments, which serves the transportation, electronics, aerospace, metal, durable goods, consumer goods, maintenance and repair and packaging industries, and offers a broad range of products for the craftsman and consumer. With brands and advanced technologies, Henkel makes people's lives easier, better, and more beautiful. 50,000 employees work for the Henkel Group worldwide. People in 125 countries around the world trust in brands and technologies from Henkel – "A Brand like a Friend"
