

Generous volunteers of Henkel Romania were, again, part of the “Runners for Humanity” team at the 2024 Bucharest Semi-Marathon!

For the second year in a row, 24 volunteers from Henkel - employees and their family members – participated on April 21, 2024, for the *Runners for Humanity* team at the 2024 Bucharest Semi-Marathon. Just like at the previous edition, their efforts were meant to support Habitat for Humanity’s project: transforming the dream of a family in need into a reality – building a real home for them.

In 2024 Henkel Romania’s team is, again, helping Habitat for Humanity Romania NGO for its charity run- [Bucharest International 10K by Constantina Diță, 2024](#).

Henkel contributed to this humanitarian cause both financially, with 5.000 EUR, and through the active involvement of the company’s volunteers (employees and members of their families).

As they know that each step counts for this kind of humanitarian cause, Henkel volunteers ran 3.5 K, 10 K and also 21 K. Even the General Manager of the Henkel Consumer Brands Romania business unit - Andrey Yekimov, has chosen to run the Semi-Marathon 21 Km, wishing to support in this way, with his energy, the Runners for Humanity team.

The donations collected in this way will be used by Habitat for Humanity Romania NGO for its special project - building 12 new houses for families in need, in Berceni, Prahova county.

More details about Habitat for Humanity Romania’s projects can be found here: [Home - Habitat for Humanity](#)
