Henkel operates in the Asia-Pacific region with leading brands and technologies in two business areas: Adhesive Technologies and Consumer Brands. Henkel has established a strong market presence in both the consumer and industrial businesses, with well-known brands such as Loctite, Schwarzkopf, and Persil.

Henkel Asia-Pacific is made up of 13 markets, with around 8,400 employees. Its diverse group of employees come from a wide range of cultural backgrounds.

The Asia-Pacific headquarter is located in Shanghai, China, along with the Dragon Plant, Henkel's largest adhesives plant in the world. In addition, Henkel is present in around 71 sites across the region that consists of offices, production and manufacturing plants, as well as research and development centers. Henkel Asia-Pacific reported sales of 3.26 billion euros*, and an operating profit of 432 million euros* during the 2023 fiscal year.

* By location of company.
