Join our education program!

Objective

The training is instructor-led course, created to enable our customers understand and appreciate the fundamental knowledge and technical advantage of Henkel products.

Prerequisite and recommendation

The students should have basic knowledge and experience prior attending the course.

Instructor

These trainings are conducted by our highly qualified adhesive experts in their fields. It has taken them years of hard work to accumulate this wealth of knowledge and experience.

Enrollment

You can enroll in our courses by email to indonesia@henkel.com and provide the information listed in the **Registration Form**.

For more information, please call +62 21 2758 6900. Seats are limited, please enroll as early as possible.

Confirmation and reservation

Registration will be treated in a first come – first served basis. Confirmation of acceptance will be emailed.

When there is no more seats available on the applied course, you will be notified immediately with an alternative schedule. We reserve the right to change schedule, program, content and price.

Course fee

The course fee includes materials, documentation, refreshments and lunch. All prices given in this guide is in Thousand IDR, exclude VAT.

Accommodation and travel

Participants take care of any necessary accommodation and travel cost.

Course location

All courses are held in Henkel Indonesia premise, unless it is confirmed otherwise.

Training course at your location

The training at Henkel Indonesia premise provides the best environment for delivery of effective training. However, we realize that it is not always possible to have staffs away from site. In this case, courses can be arranged to be held at your plant or a local venue by mutual agreement. Please do not hesitate to contact us.

Your preferred course and time

Based on mutual agreement, our program can be tailored to your specific need and arranged on your preferable time and venue. Please do not hesitate to talk to us about your requirement.

Cancellation

A course may be rescheduled when a certain minimum number of participants is not achieved. There is also a maximum number of students. In the case of cancellation, please inform us the soonest. This will allow another applicant to attend the course.

If no cancellation is made and the participant does not attend, full cost will be charged.
